SUBJECT: INITIATION OF COMPLAINT LOG #1049445

On 19 October 2010, at approximately 1610 hours, the undersigned became aware that Glen BROOKS, Emp. No. [REDACTED] was in possession of two (2) State of Illinois driver's licenses. As a result of an incident earlier in the day involving the possession of two Department identification cards, Mr. Brooks tossed an ID holder containing those identification cards to Ricardo CONTRERAS, Emp. No. [REDACTED] during a meeting and immediately left the meeting. At the time of the initial incident, the undersigned took possession of the ID holder from Mr. Contreras.

At approximately 1610 hours, the undersigned realized that ID holder also contained Mr. Brook's driver's license. At that time, the undersigned contacted Mr. Brooks via telephone to make arrangements for Mr. Brooks to immediately retrieve his driver's license. At that time, Mr. Brooks stated to the undersigned "It's alright, I have another license that I keep in my wallet."

At the advice of the Chief of the Internal Affairs Bureau, the undersigned will maintain possession of the driver's license that was contained in the ID holder.

If you have any questions or need any additional information, please contact the undersigned at 5-5900 (bell).
